(706) 348-3256 | tristynle475@gmail.com | linkedin.com/in/tristynle | tristynle.com | Atlanta, GA

EDUCATION

University of Georgia (UGA), Morehead Honors College | Athens, GA **Expected May 2028**

B.A. in Cognitive Science (AI Emphasis), Minor in Media & Design, New Media Certificate GPA: 3.8 / 4.0

- **Relevant Coursework:** UX Research, Research Design, Intro to Graphic Design, Native App Development
- Spring 2026 Exchange in South Korea

EXPERIENCE

AI Psychology Research, Research Assistant | Athens, GA Oct 2026 – Present

- Conducted psychology research on perception and interaction of Artificial Intelligence (AI) in teamwork
- Coordinated 4 Wizard of Oz sessions to test reasoning in tasks with AI chatbot using custom website
- Collected user responses and preparing to analyze into results and a poster presentation
- Evaluated usability to align with research goals prior testing using journey mapping and edge case testing
- Ensured website followed accessibility guidelines (WCAG 2.1 AA) and Institutional Review Board (IRB) protocols

PROJECTS

DevDogs Coding Club, *UI/UX Focus Lead* | Athens, GA Aug 2024 – Jan 2026

- Led a 5-member team in designing wireframes and interactive prototypes for 2 semester-long projects: student scheduling website & community bulletin board (https://devdogsuga.org/]
- Used market analysis of existing community platforms to define product requirements and design decisions
- Created and maintained a shared design system with documented components and branding
- Partnered cross-functionally with developers through weekly stand-ups and sprint reviews to hand off specs

Journal of Undergraduate Research (JURO), *Design & Layout Chair* | Athens, GA Jan 2026 – Present

- Produced a research magazine dedicated to undergraduate research collaborating with members & faculty
- Presented and advocated design decisions to non-design team members and faculty for publication
- Designed 12 undergraduate research papers, preparing text, figures, and visual assets
- Applied typography, layout, and branding standards following University of Georgia style guide for consistency

User Experience (UX) Club, *Creative & Socials Director* | Athens, GA Aug 2026 – Present

- Rebranded UX Club by creating a new style guide, poster templates, and logo, driving a 20% increase in followers and 150% increase in engagement
- Managed club's social media presence that included story posts, meeting info, and bi-weekly content
- Used engagement analytics to refine content strategy and create short-form storytelling content aligned with current trends

Graphic Design Club, *Communications Chair* | Athens, GA Sep 2025 – Present

- Managed club communications across email and social media for events and meetings
- Coordinated guest speaker sessions with industry design professionals
- Co-organized workshops on branding, layout, and theme exploration to build community

Skills

Figma, Adobe Creative Suite, Human-Centered Product Design, AI Prototyping (Lovable, Claude Design, & SwiftUI), User Research, Usability Testing, Service Design
